

Please tell me how to stop DEBT MGN'T FOUNDATION SERVICES from calling. When this foundation calls they leave 5013C notification. I have three different phone numbers they call (which all three are on the do no call list): 864-489-0654, 864-489-5868, and 864-489-4570. I will appreciate your help in this matter.
